

Dear Friends:

We are gearing up for the start of the 2024 shipping season, and I wanted to give you an update.

The first ship for 2024, M/V Federal Franklin, is due about March 28, and it will be for potash, loading at Thunder Bay Terminals. I will now be keeping the Vessel Report updated at the Seafarers' Centre.

2023 was our busiest year since 2000. We ministered to the seafarers from ocean-going ships, which in 2023 included working with 132 ships and transporting 1,359 seafarers. The Seafarers' Centre at Keefer Terminal was staffed on 140 evenings with 202 sailors visiting. Our Christmas Gift Bags are an important part of our ministry and we appreciate everyone who knitted toques and mitts and donated to our gift bags; 226 bags, including 3 for women, were delivered to 12 ships.

The Volunteer Appreciation Social held at the Prince Arthur on February 29, was well attended and it appeared that people enjoyed themselves. Thank you to our sponsor, Thunder Bay Shipping Inc. The Board has agreed that it will be held on the last Thursday in February.

Over the next week, I will be contacting people regarding volunteering.

Speaking of volunteers, we have just enough, which means we need a couple more. At some point in the year we will be short. For one reason or another, volunteers book off. If I have commitments and no volunteers are available, it means I deny service to seafarers.

Please support the Fund-raising Dinner on April 19 and the Meat Sale. These are fund-raisers, and they help build the community that supports the Mission. If you have a MTS congregation rep, please see them or Janet Pike who is the contact for both events.

Website Redevelopment

We have begun working on redeveloping our website. I hope to have the new site up and running in May.

Upgrades to Centre

- The fibre optic internet has been installed and the TV is now on TBayTel.
- New TV tables have been purchased, which can be stored more easily.
- Booths 1 and 2 are being converted to storage. This will be an on-going project over the spring.
- The picnic table is being repaired.

Looking ahead, we hope to put new trim on windows. I will make the trim, and we are looking for volunteers to help with installation and painting. The van will also get some painting done on it this spring.

In Christ's service,

The Rev'd Canon Ed Swayze

Chaplain

RCCO membership renewal or new will be available as of April 1st.

I am sending this out to regular members as well as others who may also be interested in getting together to explore, discuss or perform organ music, other church music, concerts, organ crawls, building organs with pipes or computers, historical buildings and instruments, travelling, conventions, choirs, piano students, composing, and any number of reasons and motivations to be involved.

Locally we support people playing the organ, try to find employment, provide lessons, put on concerts and recitals, share music, offer social get togethers, and link up with the National office for education and interest.

Below is a list of what is offered through the national office. Please go to rcco.ca or our facebook page to find us here in Thunder Bay. If you are interested and have questions, you may reply to my email, and I will do my best to help you. If you are already a member, put the renewal date on your calendar.....April 1st.

Your membership supports RCCO activities and resources such as:

- Organ Festival Canada
- The Summer Organ Academy
- Organist Launchpad
- Examinations and professional accreditation
- Scholarships
- The National Organ Playing Competition
- The FutureStops Podcast
- Our website and online resources such as the Buy & Sell forum and Positions Available listings

Membership also includes a subscription to the journal *Organ Canada/Orgue Canada* and access to the online discussion forums. Plus, members can benefit from members- only discounts on health insurance, music publications, registration for Organ Festival Canada, and reduced-rate subscriptions and memberships in partner organizations (the American Guild of Organists, Royal College of Organists, and the Fédération Québécoise des Amis de l'Orgue.)

The RCCO is also conducting a membership campaign this year. *New members can obtain membership for a 50% discount* (so be sure to tell your friends!)

And of course, thank you for supporting us through another year of music-making. It's only with your help that we are able to keep organ music and organ playing a vital part of our community.

Yours in Music,
Nancy Wallace
