Can you help us?

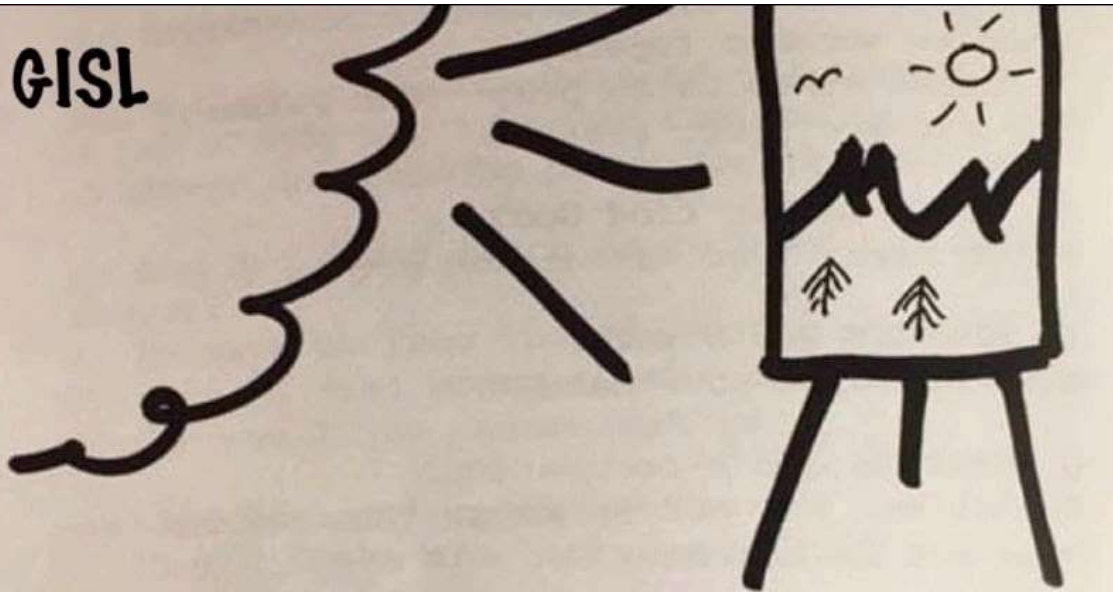

Looking for

- Single use plastic bags
- Mesh produce bags (the plastic colourful ones that citrus fruits come packaged in at the grocery store)
- Scrap rope or cord
- Wire
- Old household linens, rags, etc.
- Craft notions including trim, string, yarn, thread (any amount, large or small, is appreciated!)
- Unfinished art or craft projects (started a craft project that won't ever be completed? We can use it!)

Calling all recyclers!

Tuija Hansen is looking for the items listed above for a community-engaged craft project happening later this year! They can be dropped off at EcoSuperior throughout July and August, during our business hours. (Monday-Thursday, 8:30-4:30)

GISL
